WELCOME

God, Creator of all things, we call upon Your presence.

A candle is lit.

GATHERING PRAYER

We come to You as Your creative people.

Come and be with us.

'For where two or three come together in my name,
I am there with them.'

Your sole presence draws us together. Your Spirit is our home.

In Your presence we are community.

Spirit of the creative God you are like a wind.

You come and go at Your will.

In your freedom –

You dance among us. You touch our broken hearts.

In your mystery –

You remain silent. You are still.

In your grace –

You keep your promise. You are present.

Silence...

CONFESSION

In Your presence we confess our failings.

We have failed to see Your presence in the world around us.

Creative father, forgive us.

We have failed to see Your presence in each other.

Creative Spirit, deliver us.

We have failed to see Your presence in ourselves.

Creative Son, heal us.

FINAL PRAYER

Spirit of the living God, help us –

to claim our own way to be creative,
to be a creative source of life-giving presence and hope,
to hold a creative presence, or absence, from your people,
to find our own place in your creative community.

Creative Spirit,

**in Your presence we are whole,
we are blessed, we are one.**

Amen
